# DevJams'19

DSC VIT

✚ 2CC Workshop

Developer Students Club is an initiative by Google to broaden access to the world-class technology curricula for students. We here at DSC VIT, aim to ease the process for students and developers to gain the skills they need to be successful in the constantly changing technology landscape. DSC VIT is a dedicated team of students that cohesively work towards delivering top-notch technological knowledge and events to other students in and around VIT.
✛ About DevFest

DevJams is one of a kind hackathon that goes forth with the aim of encouraging healthy competition in order to incubate futuristic ideas. DevJams focuses on providing students and upcoming entrepreneurs with a platform to develop, compete, network and present their ideas to solve real-world problems. We have been successfully conducting DevFest for 4 years now. DevFest'19 will be the fifth edition and we hope to bring the innovative minds from all around the country under one roof.

✚ Why Sponsor Us

Our aim to nurture young minds can be assisted with your help. In return for your support, expertise, and guidance, we have some exciting marketing avenues!

Gain an immediate competitive advantage for your business - ensure that your brand is well-known within the youth and student community.

If you are looking to build awareness of your brand in the student sector, it doesn't get bigger and better than DevFest!

Help Us out ✚

We would love it if you could support us by sponsoring our event so that we can deliver quality experiences to budding developers free of cost.

We would love to collaborate and have come up with flexible sponsorship packages to best suit your needs. We would also be willing to come up with something bespoke, catered just to your liking!
